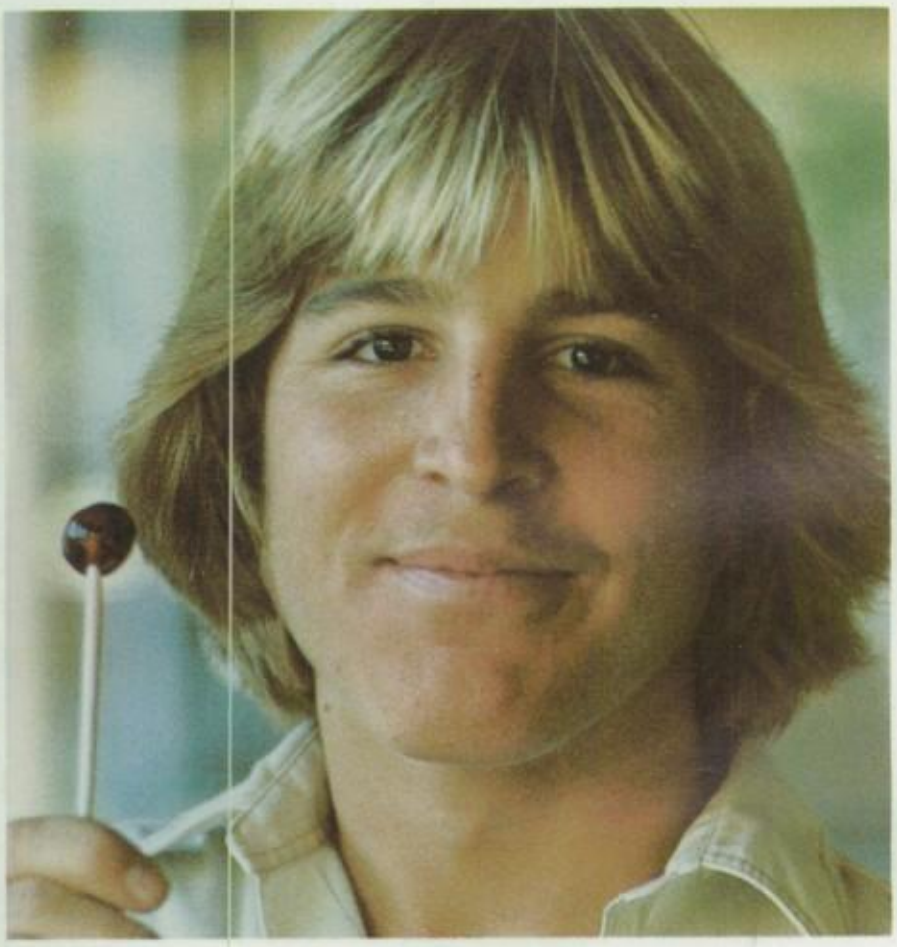
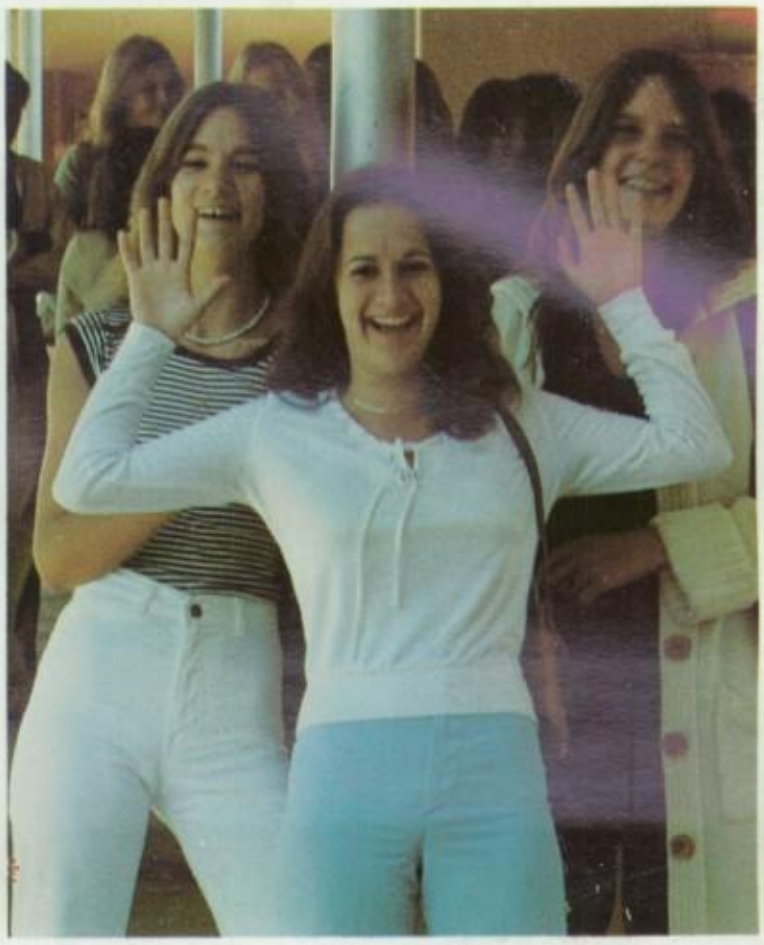
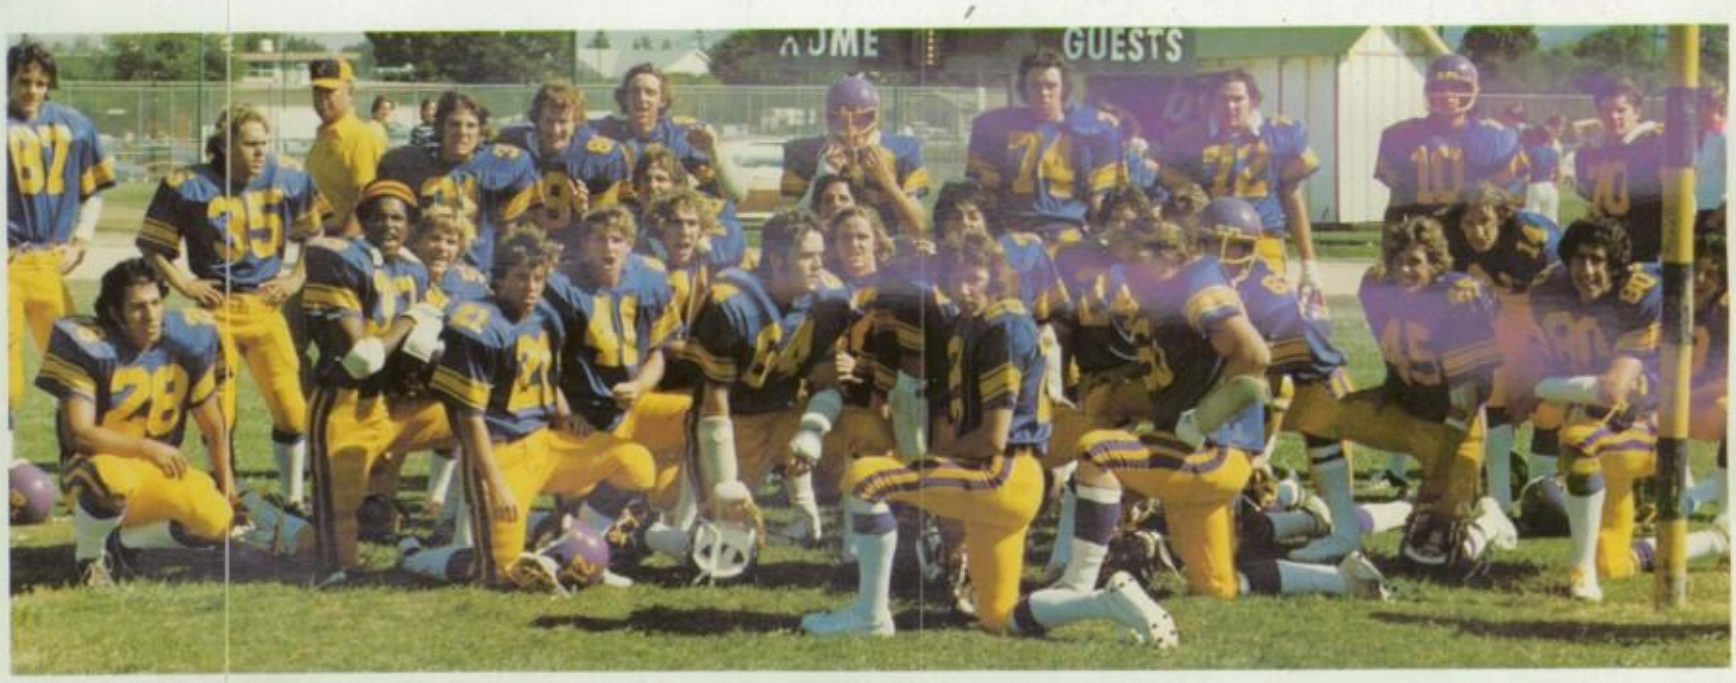
Cougar, hear us roar,

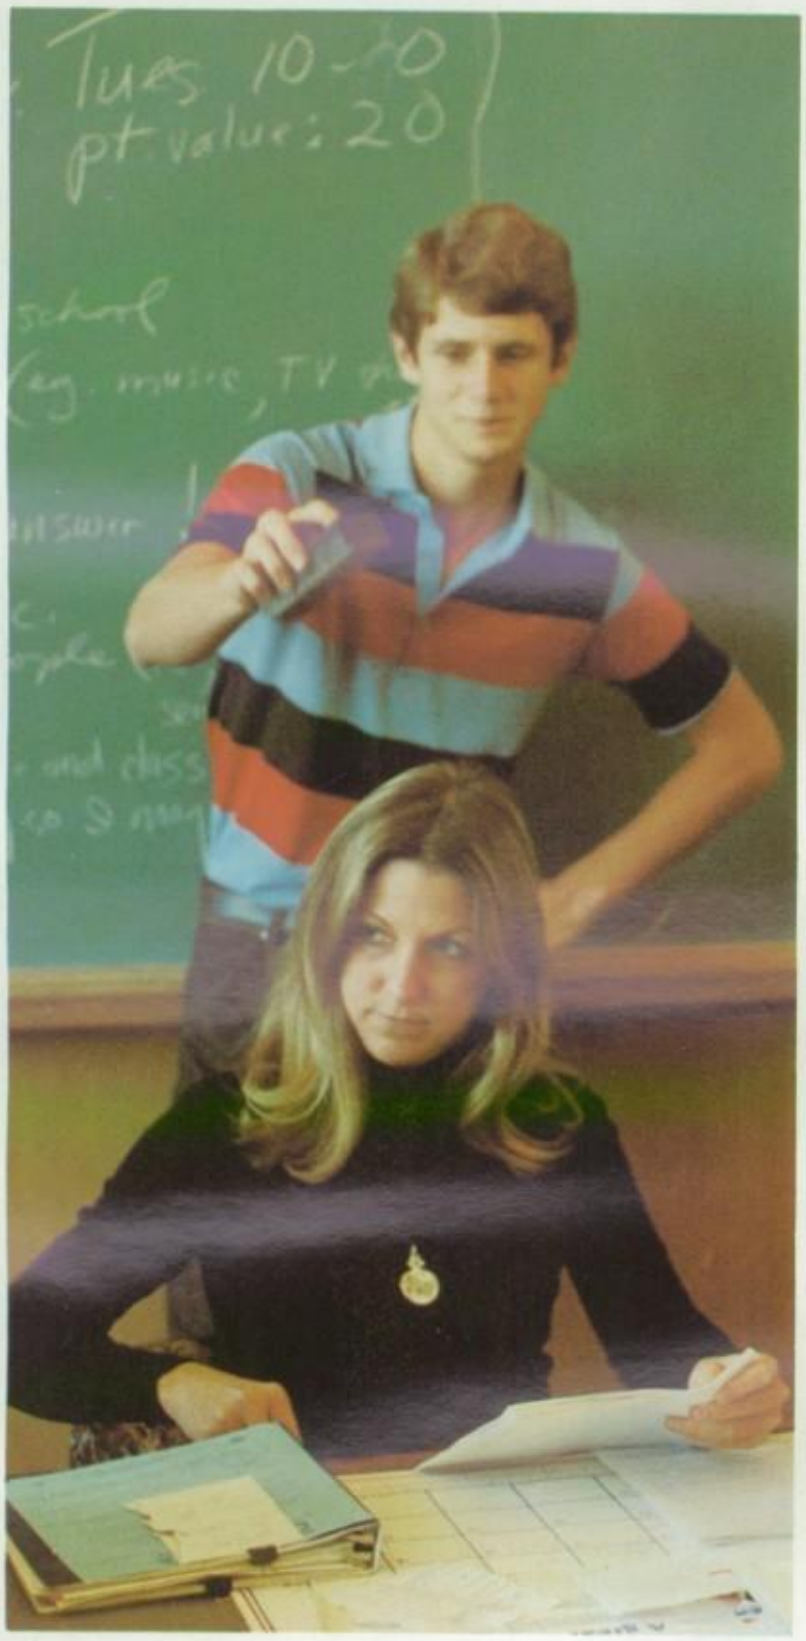
We're in numbers too big to ignore, And

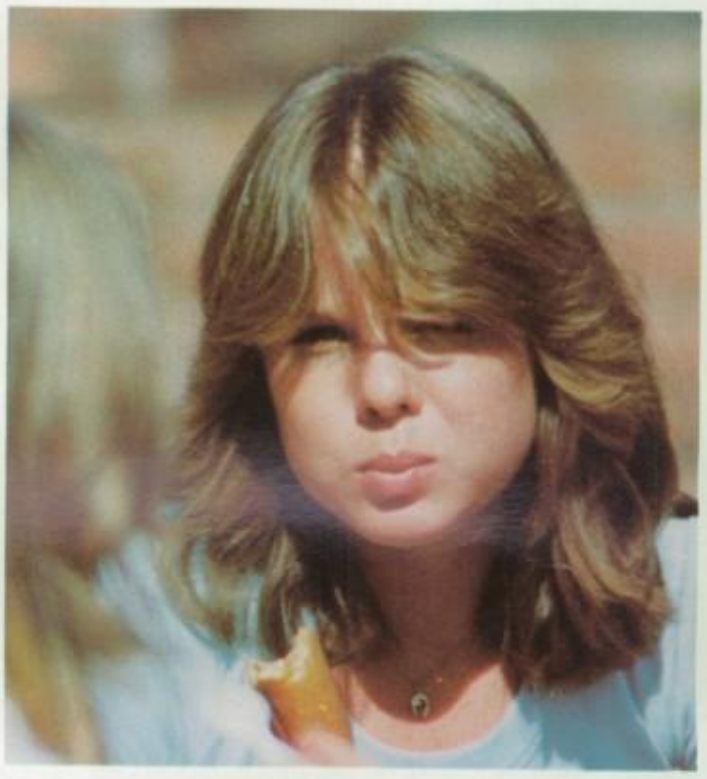






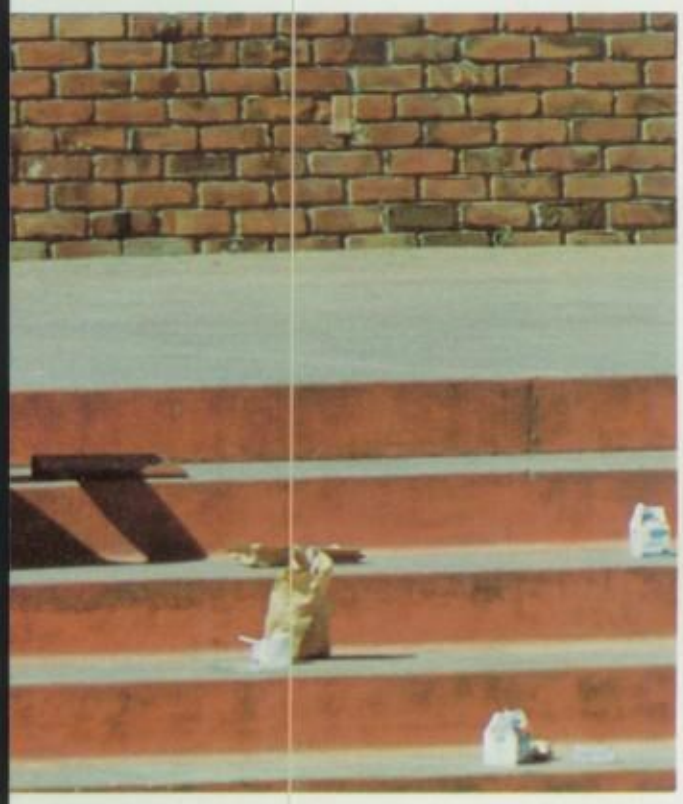
we know too much to go back and pretend

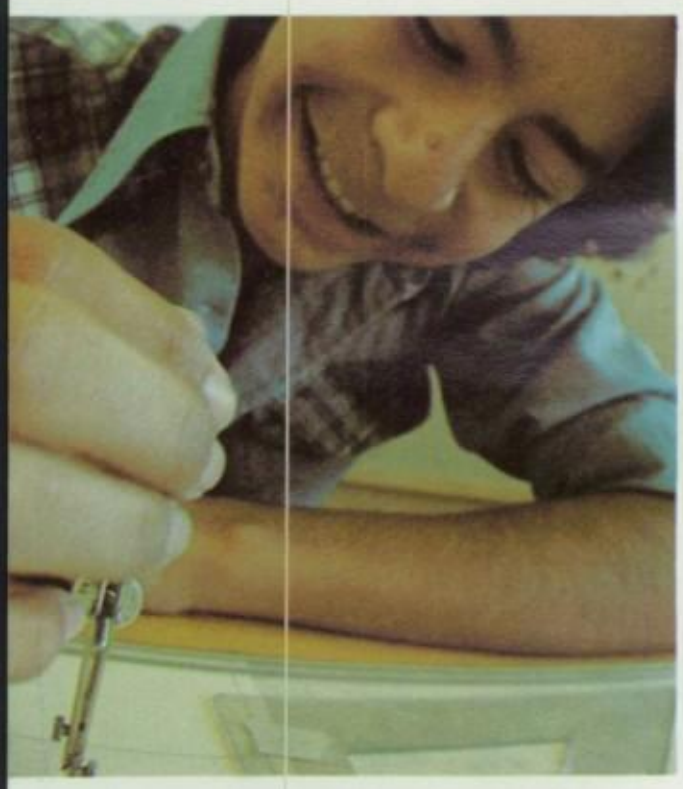




'Cause we've heard it all before,

and we've been down there on the floor,

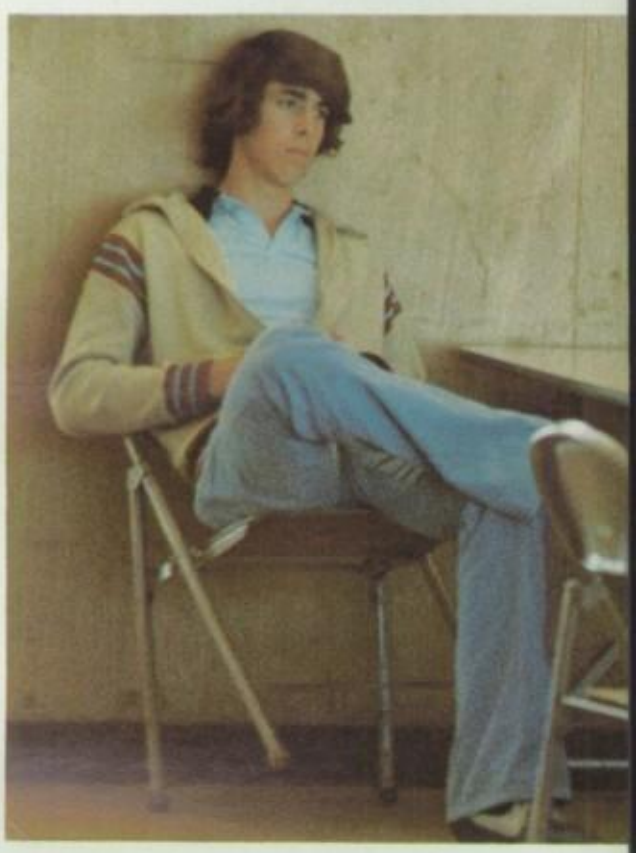




No one's ever gonna keep us down again.

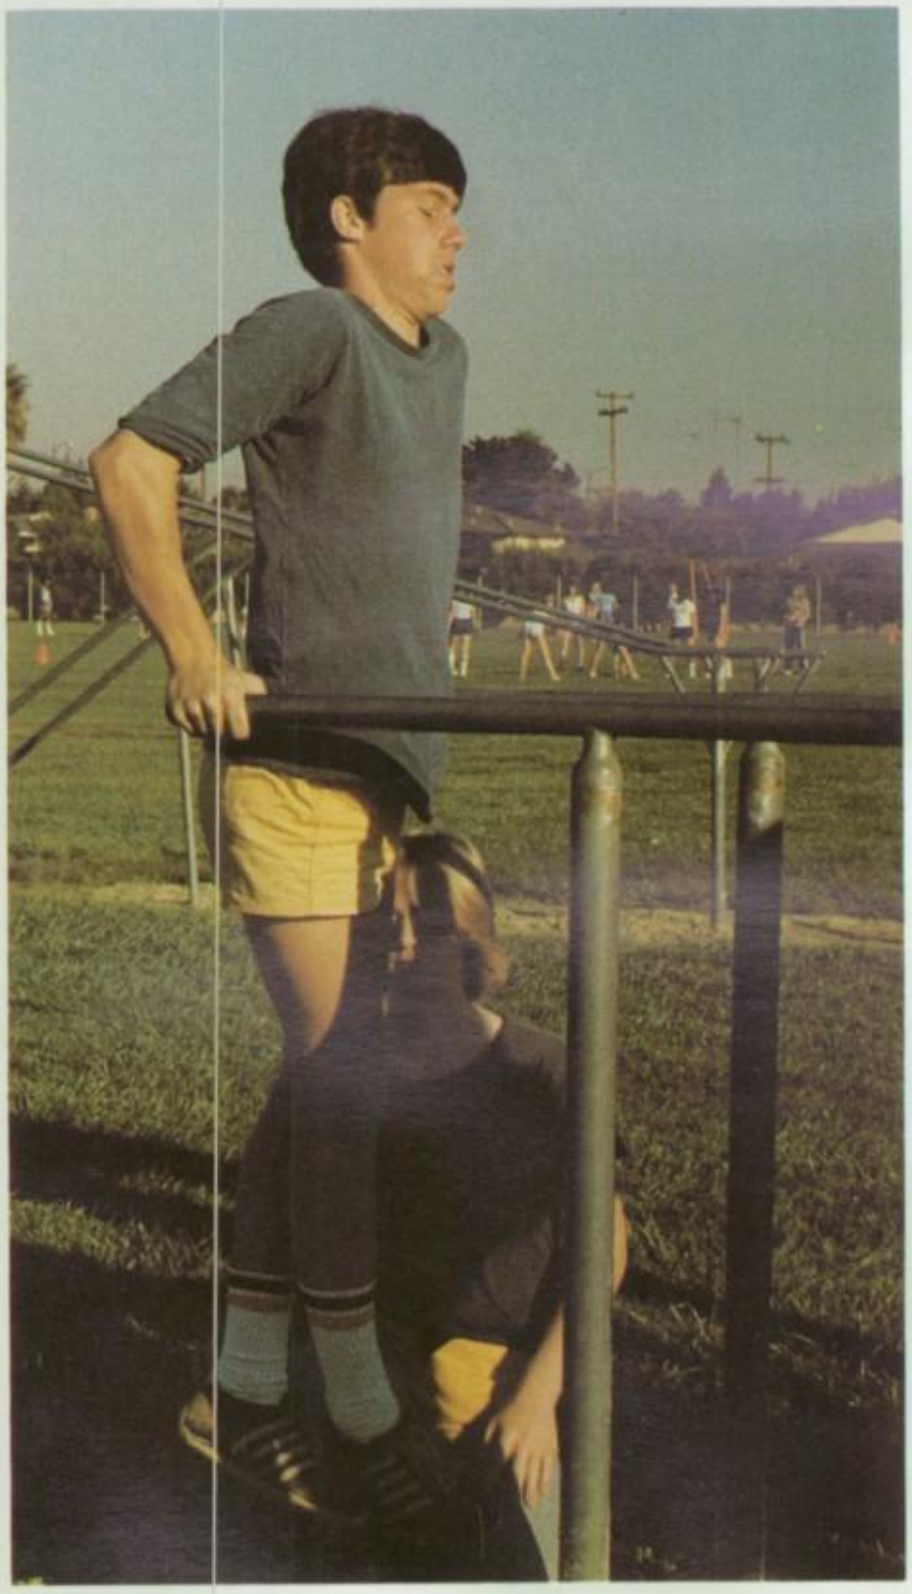
Oh yes, we are wise,

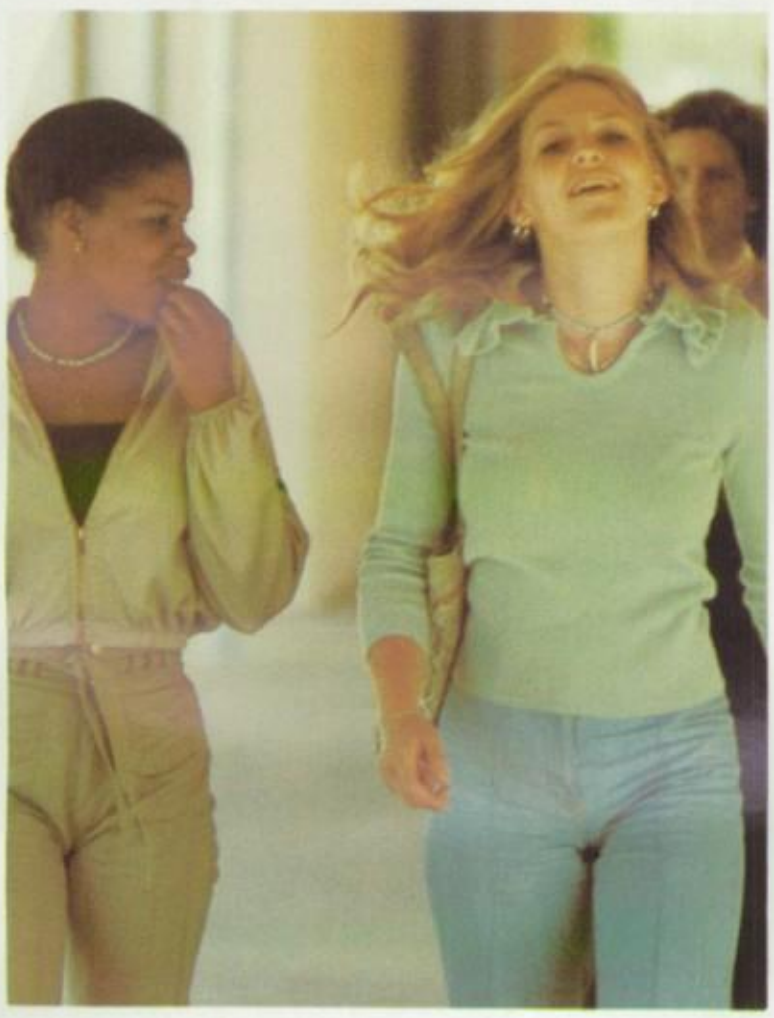
But it's wisdom born of pain.

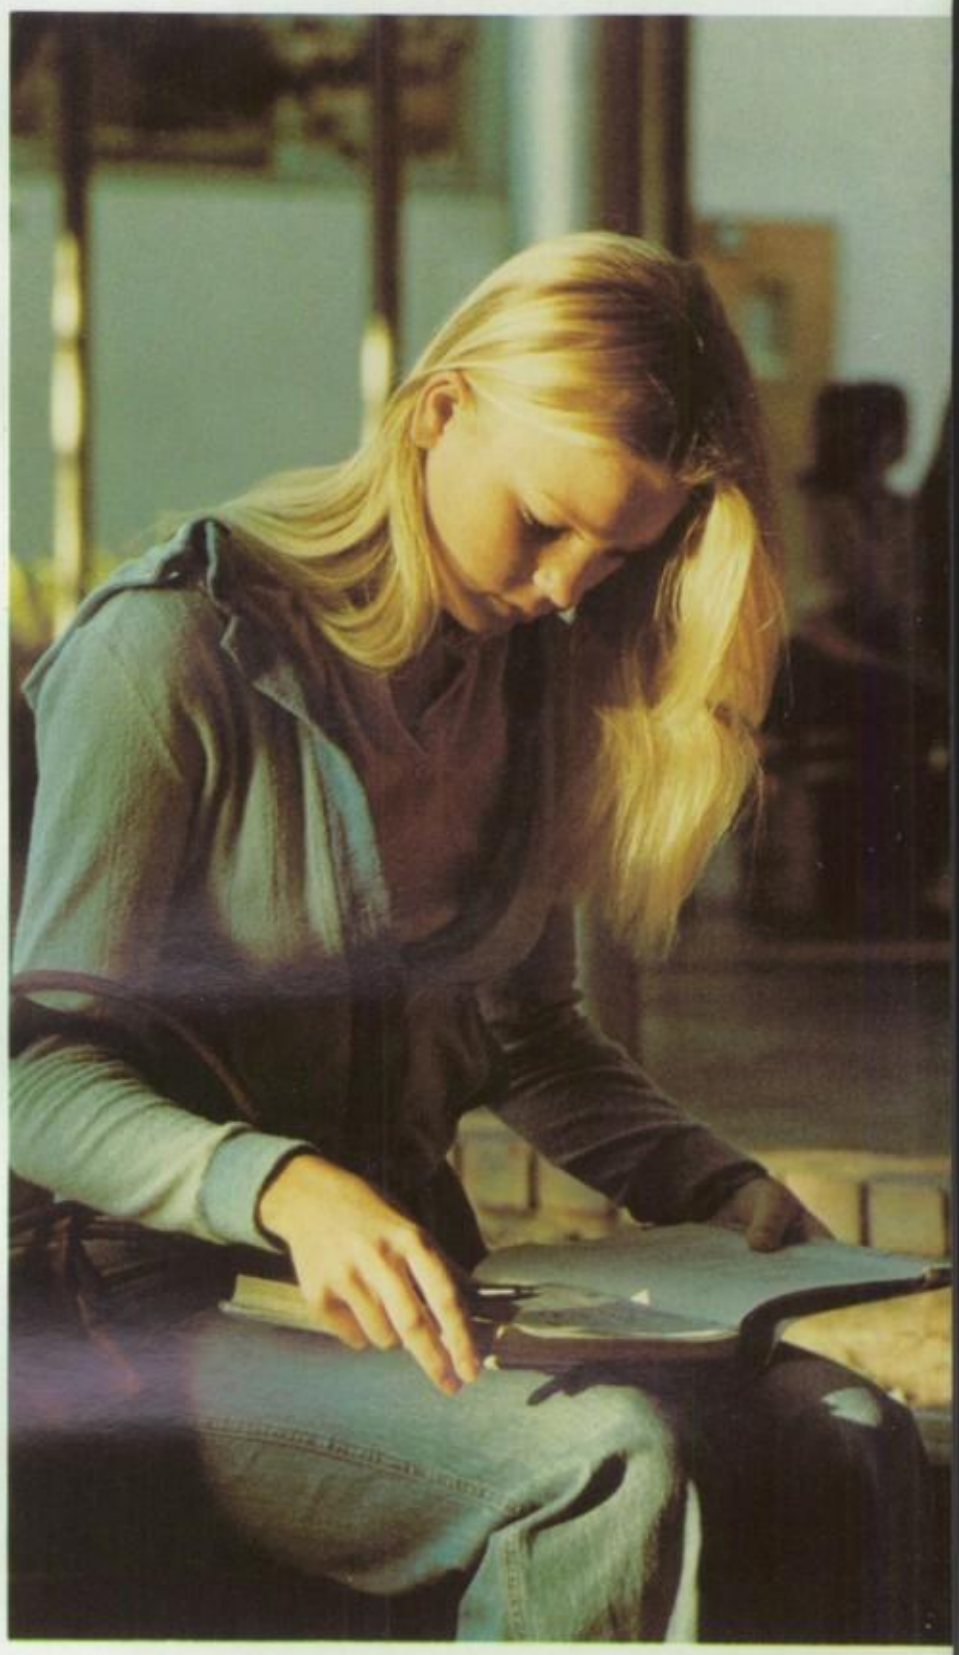


Yes, we've paid the price,

But look how much we've gained.





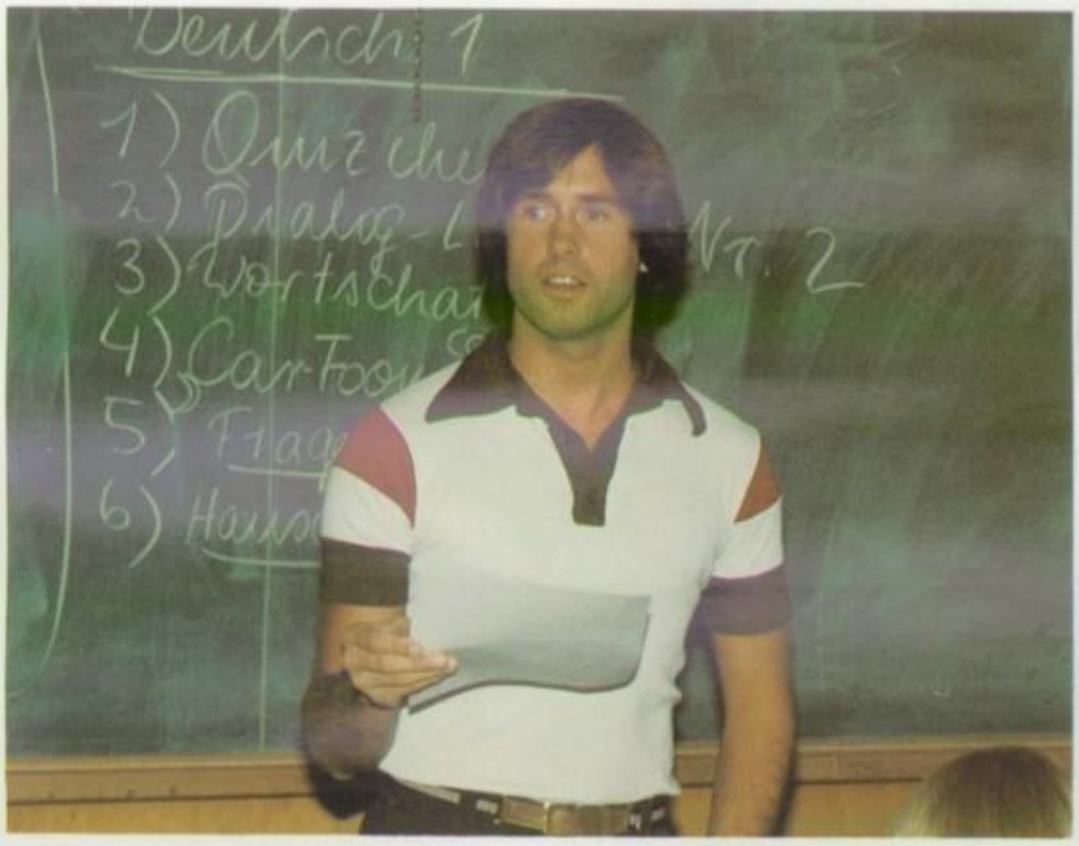


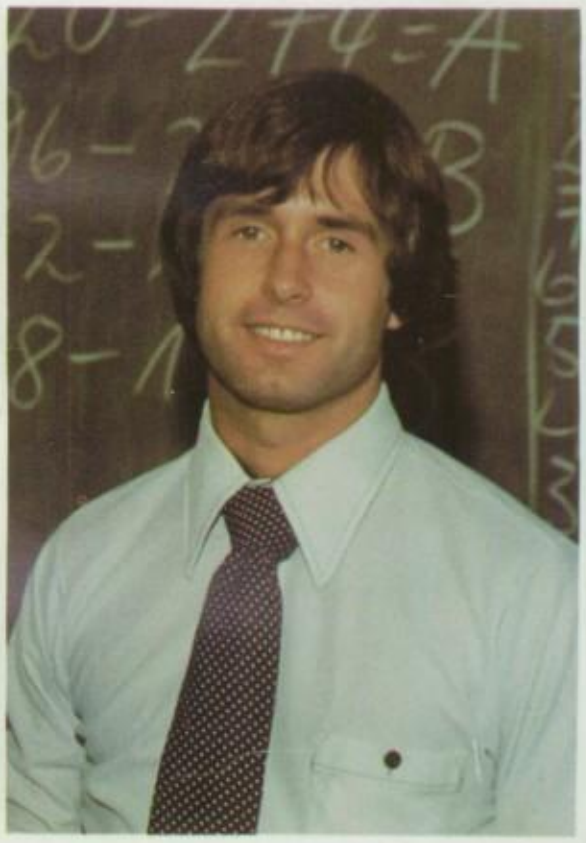
If we have to, we can do anything.

We are strong, we are invincible, we are Camden!

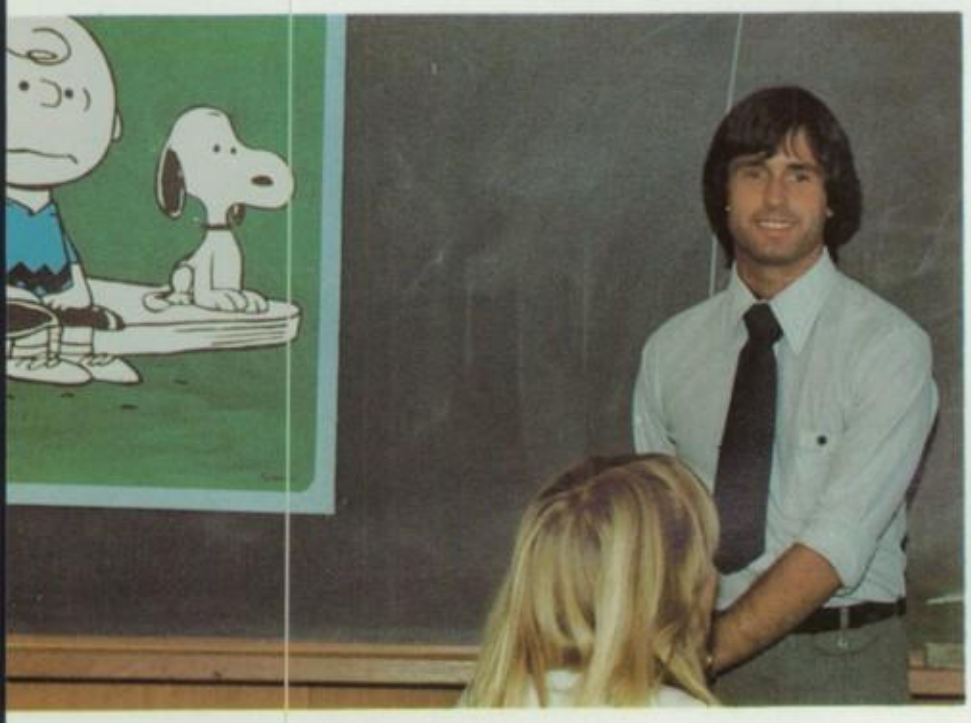
You can bend but never break us,

'Cause it only serves to make us,





More determined to achieve our final goal. And we come back even stronger,



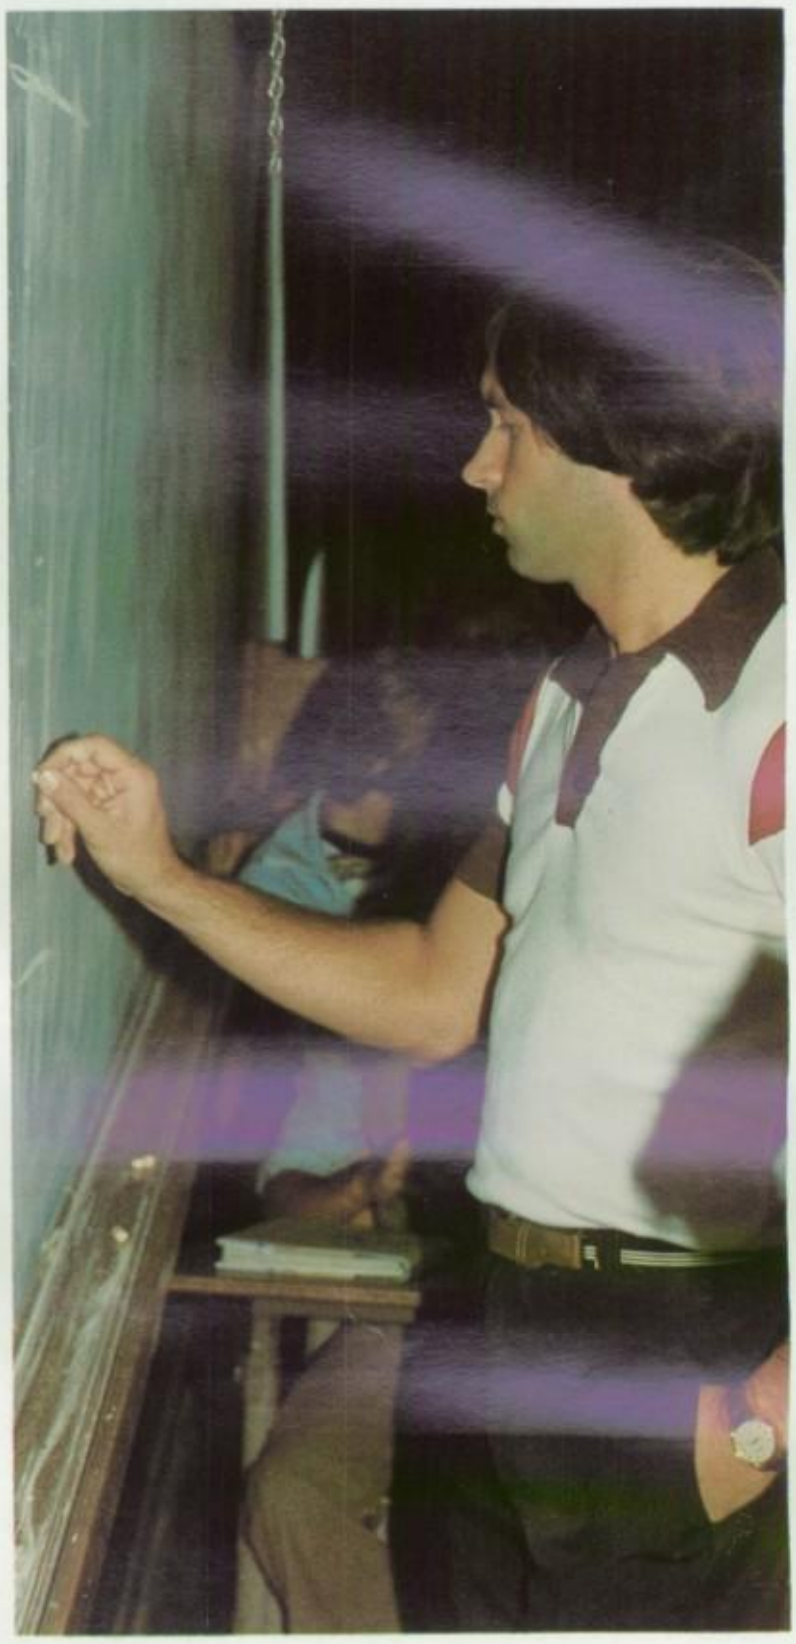
DEDICATION

This year the Class of 1979 and the Memini Staff dedicate this yearbook to a man who is very dedicated to his work. In his four years here at Camden, he has not only increased the number of students taking German, but he has given many of those students an interest in learning. Through his rewards of chocolate and praise, he has inspired many students to achieve. Through his many hours of hard work — preparing, teaching, correcting and overseeing — he has shown all of his students what being dedicated is.

To this inspiring man, we dedicate this book.

Danke Schön

MR. JIM BAUGHMAN



Not a novice any longer,

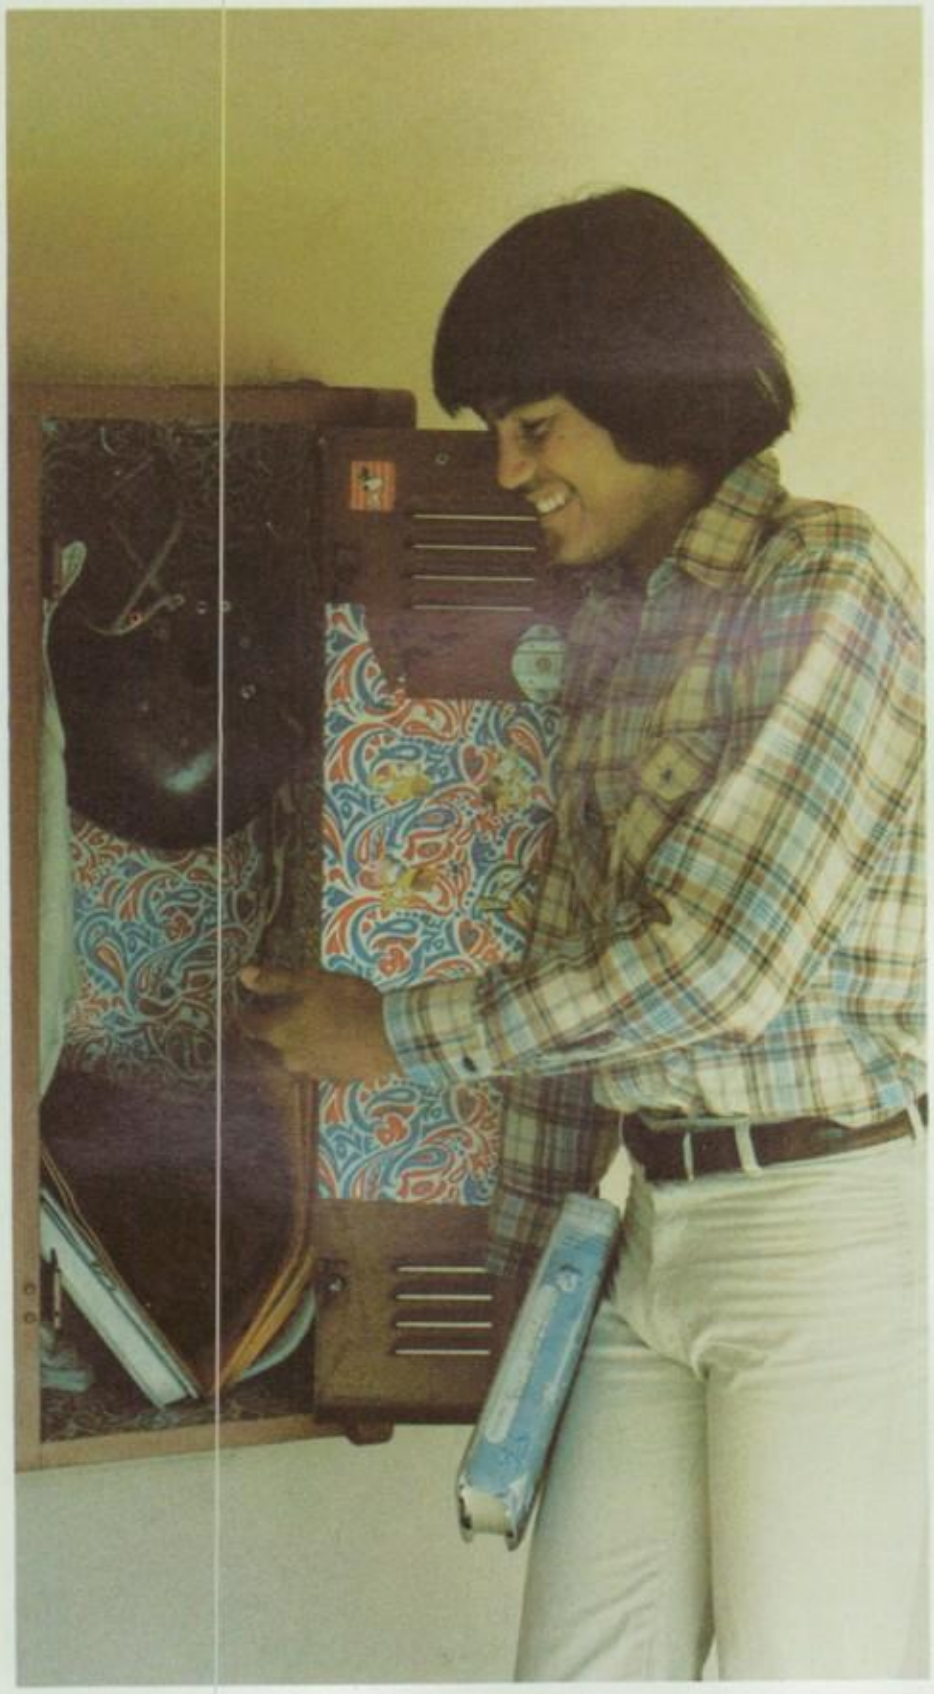
'Cause you've deepened the conviction

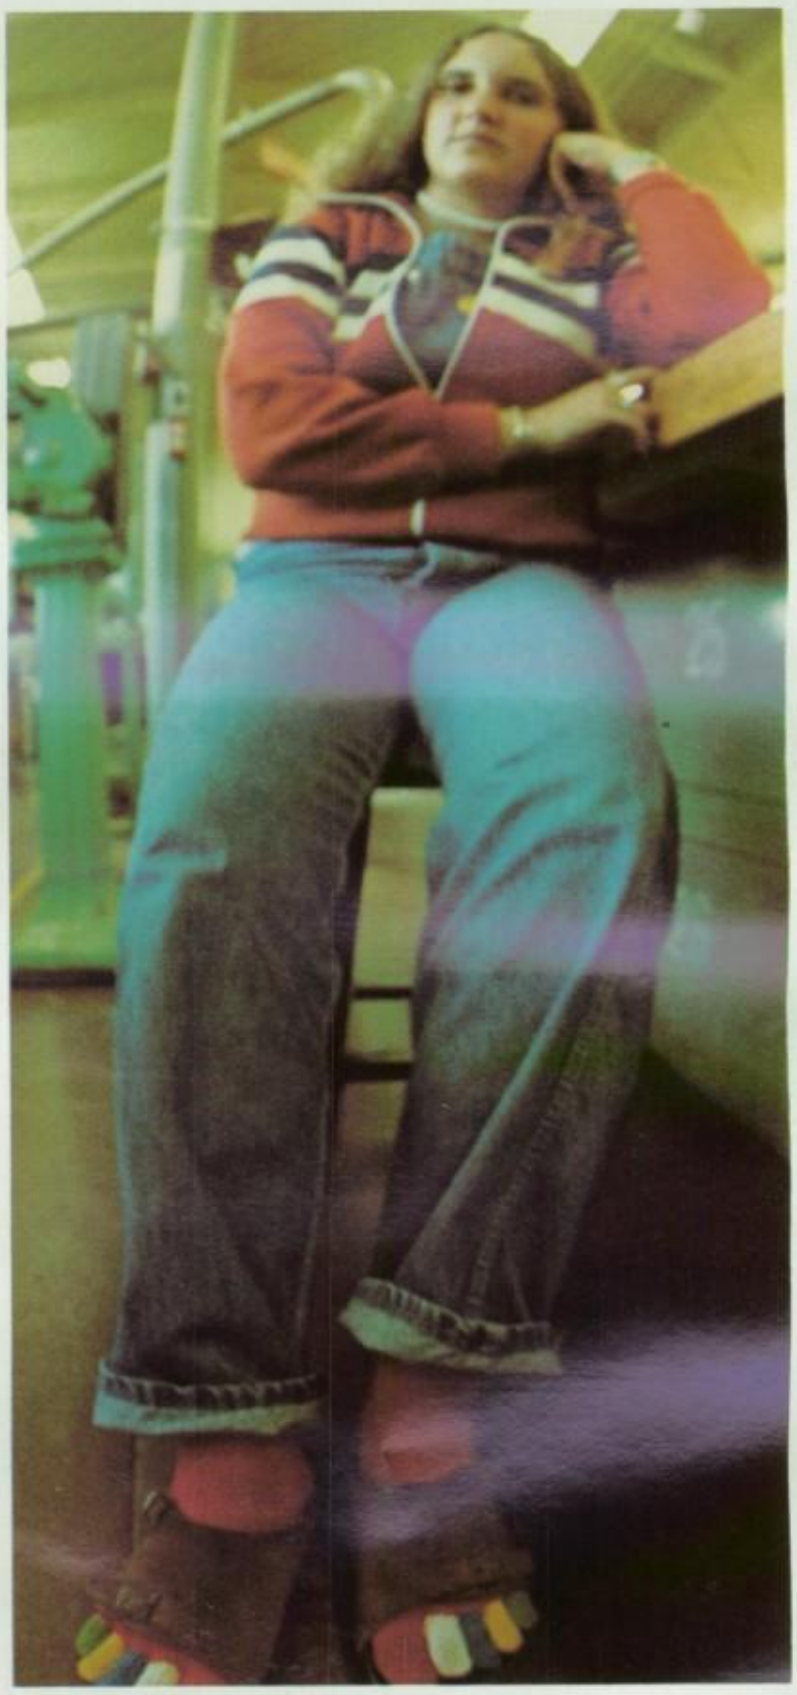
in our soul.

We are Camden, watch us grow

See us standing toe to toe

We spread our lovin' arms across the land. But we're still an embryo





With a long, long way to go,

Until we make our brother understand

Mike,
I glad I met you this year. Just think your going to Be a senior nast year-how exciting. Have a great Summer I hope I see you a least once this Summer. Love Eileen

Oh Cougar, we are one, we are Camden!

Whether the sun shone brightly
or the rain came down
on a weekday morning
for school you'd be bound
dragging your feet
along the way
you prepared yourself
for another day
standing in the hall
talking to friends
the first bell rings
and your conversation ends
then you're off to your locker
to get your things
and hurry to class
before the tardy bell rings
while time seems to drag on
from class to class
you don't even realize
school is becoming a thing of the past
when you're a freshman
you're nervous and scared
that you'll do something wrong
that can't be repaired
as a sophomore you felt comfortable
and safe in your place
but realize you aren't special
and still just another face
juniors feel freer
and take advantage of this
for there isn't much excitement
that they will miss
your senior year is the one
you've looked forward to
and then you suddenly realize
you are almost through
graduation day and
appear to be sad
then your mind wanders back
to the good feelings you've had
the week-day mornings
when you could've slept in
but went to school anyway
and had fun with your friends. . .

LIFE

Life is like a dream unfulfilled—
Happiness is life.
Life is like a new born baby—
Happiness is love
Life is like a bird—
Happiness is being free.
Life is like having many memories—
Happiness is remembering them.
Life is like having a friend—
Happiness is being together.
Life is like a person in need of help—
Happiness is being able to help.
Life is like being lonely—
Happiness is finding someone.
Life is like settling down—
Happiness is a dream fulfilled.

He talked to me and made me feel
like a somebody
He didn't say any ol' thing
He talked like he knew himself
I started to think:
Maybe if I talk to somebody
I can make them feel good
I started to treat people
how I'd like them to treat me
I felt good inside, not just
because I made someone happy, but
because I made myself happy
I started to get to know myself better
I felt different inside,
I felt happy

A LAND OF PEACE, A LAND OF LOVE

Some dream of a land far off
A land of peace
A land of love

A land where there are no wars
Where there are no fights
Where there are no quarrels

Where all are happy in every way
Every hour
Every day

Where there is no power in only one hand
But a power or strength
Throughout the land

The power lies in many hands
Held together
Forming one tight band

And if
Someday
This dream comes true

There will be
Love and Peace
For me and you

Elaine Abe

NEVER AGAIN

This day is a new beginning,
For this day has never been.
So live in peace and share your love,
For this day won't come again.

Never again will the chances for love,
Come knocking at your door.
Never again will the same people knock,
As did the day before.

Never again the chance to feel,
The things that your heart fears.
Never again the chance to share,
The sorrows and the tears.

You cannot capture love in time,
You must always set love free.
If you won't, you do not love,
Love just has to be.

Never again will the sky hold clouds,
In exactly the same way.
Never again will you love anyone,
As much as you love him today.

Maureen Ward

TIME

A year has gone by, and I have aged,
In maturity-also I have aged in knowledge.
Not necessarily that of which I have been taught. . .
But that of which I have experienced.

Lisa Hurst

Remember the crazy high school days
When all your cares could be laughed away
In a moment
When you were with your friends

But times have changed and you have grown
It's time for you to be out on your own
And make it
Starting all over again

Although times get rough and you're feeling
sad
The bad gets worse and the good gets bad
You can do it
So don't you ever give in

Remember the one who meant so much
And when you close your eyes you can feel
their touch
In the sunlight
Yes, you remember the one

School days seem to go by so fast
First it's the present and then it's the past
You can't hold it
And life does go on

Deanna Davis

Youth is like a jigsaw puzzle
Starting out with one piece
Building up with more little pieces
Until it becomes a whole picture.

THANKFUL

I am thankful because
I have the most important treasure in the
world
a healthy body.
I have my legs for walking across valleys
and mountains and running on the beach.
I have my hands to work and make things,
I have my head to think, to understand
and to make decisions,
I have my eyes to admire all of the beautiful
things
on this earth,
the immense blue sea,
the delightful color of the flowers,
and the happiness of the birds that are flying
in
the blue sky,
all of them free
like men on earth want to be
I'm thankful

Bottom Left: Mike Duell, David Brown, Wane Vernon, and Scott Pinkerton warming up for a race. **Bottom Right:** Intently running is Mike Duell.

Both the Sophomore and the Freshman teams had a very good year for running in '78, placing highly in all races against neighboring schools.

VARSITY HOCKEY

Teri Conn and Lisa Gillis served as team captains. Team honors went to Lisa Gillis (Most Valuable) and Kelly Steindorf Most Improved).

VARSITY SWIMMING

Statistics tell the story for the 1978 girls swim team. Twelve school records, one league record, and one C.C.S. record were broken by this year's team. Eight girls qualified and competed in the Central Coast Section meet. Their league record was four wins and four losses. And then, in league finals, the team finished third over-all. Only four seniors, Lori Rizzi, Emily Kirchoff, Jennifer Kirchoff, and Barbie Butler, are graduating, promising a strong team for next year.

Front Row: Karalee Wade. **Row 2:** Lori Justice, Barbie Butler (Team Whip), Kelly Perry, Michelle Cuneo, Kelly Mankins, Laurie Rhodes. **Row 3:** Lisa Ferdinanson, Jennifer Kirchoff (Co-Captain), Jennifer Luhn, Lori Rizzi (Team Captain), Karen Neil, Lori Justice, Emily Kirchoff. BOYS' TENNIS

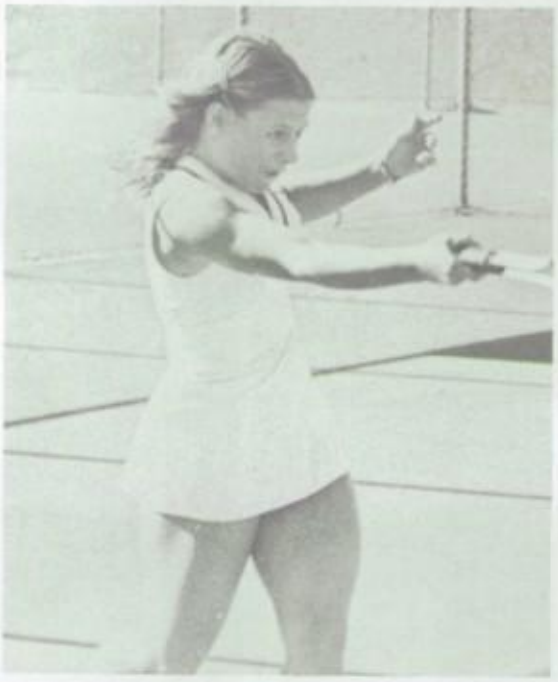
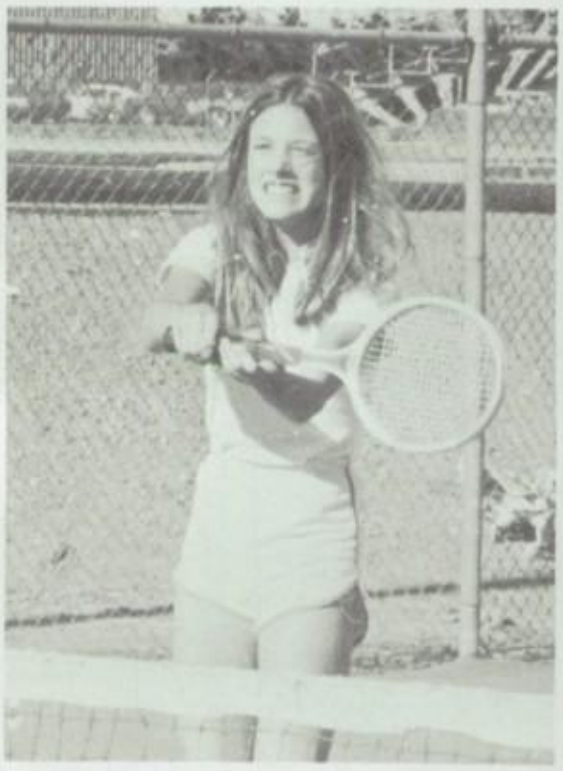
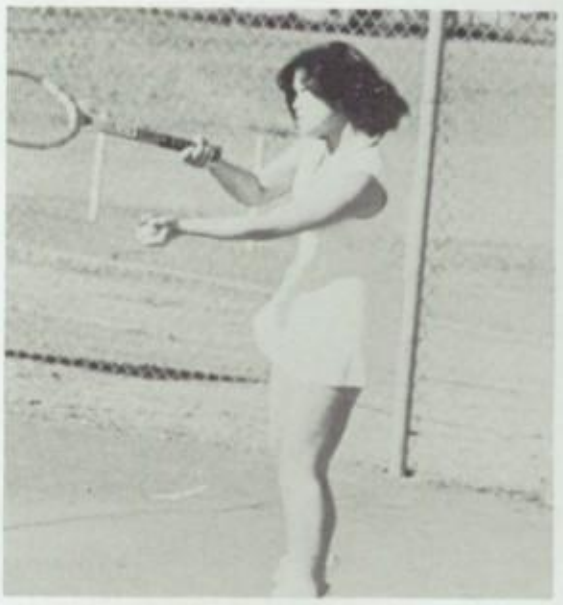
GIRLS' VARSITY TENNIS

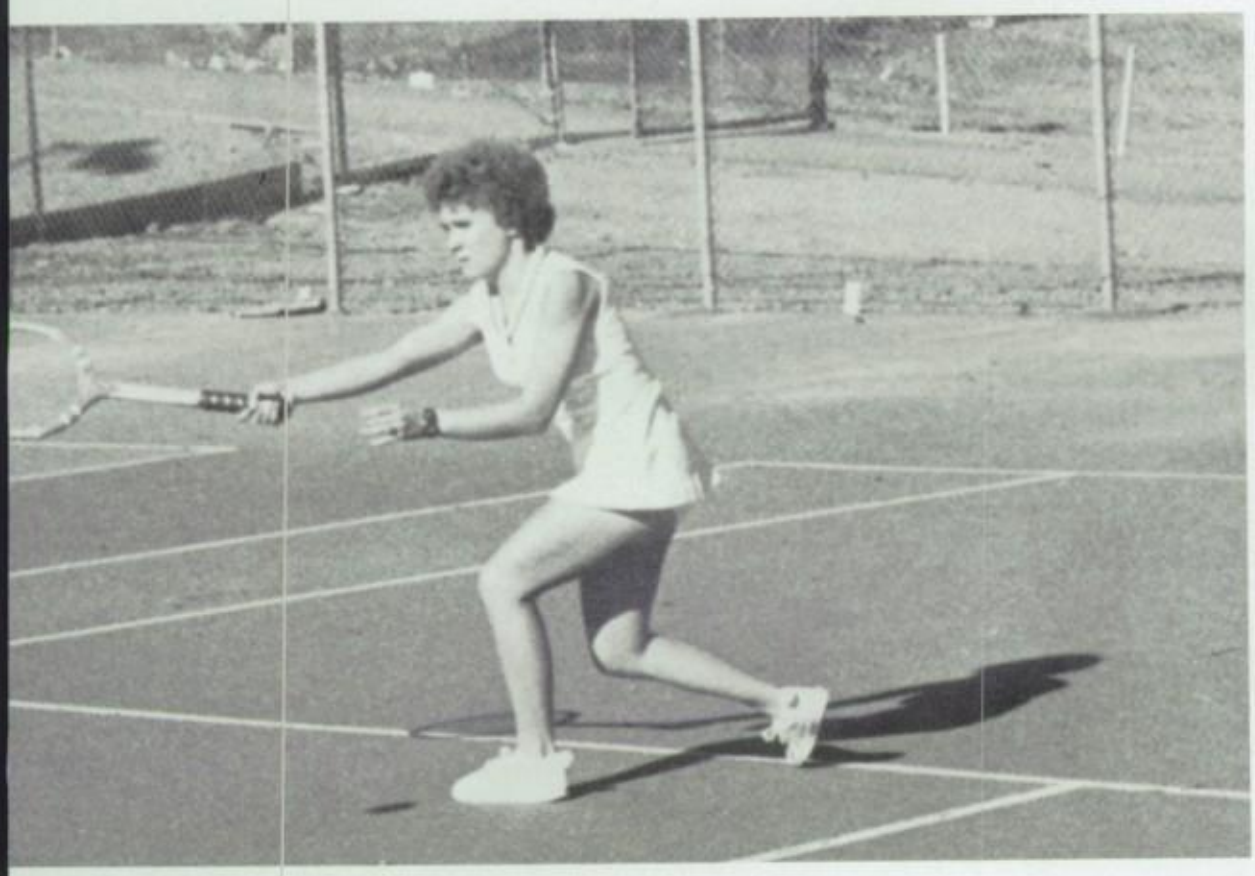
Front Row: Gayle Nelson, Pam Spitzer, Karen Lisa Ferrante. **Row 2:** Karen Shipe, Debbie Lindo, MaryJo Krause, Robin Ferrante, Veena Sharma, Nancy Hanlon, Beth Fuqua. **Row 3:** Karen Baycura, Joan Regan, Patty Ochsner, Sharon Mallonee, Mary Starr, Diane Faraone, Maureen Ward. **Right:** Eda displays powerful forehand. **Far right:** Pam caught in an aggressive move. **Below:** Coach Balsley and Asst. Coach Guelfo. Ain't they cute? **Bottom center:** Can it be that Karen has missed a shot? **Bottom right:** Jackie shows great determination. Sharon Mallonee served as team manager. Kim Snyder received the Most Valuable award while haron Mallonee was awarded Most Improved.

With the loss of nine players from last year's varsity, '78 was a building year for Camden's Girls' Tennis Team. Playing in the #1 singles position, Pam Spitzer finished the season with a 7-2 record. Kim Snyder and Sharon Mallonee, playing together as our #1 doubles team, gave up only one match this season. Since the team will lose only one player this year, the '79 season looks very promising.









VARSITY VOLLEYBALL

This year's varsity, comprised mainly of seniors, had a good year despite what their record reveals. And although they perhaps had the talent to do better, with such players as Deanna Davis (most valuable player), and Leanne Diaz (most improved player), their achievements were noticeable.

Top Right: Dionne Calabray aims a serve. **Middle Right:** Wendy Townsend demonstrates how a good spike is done. **Bottom Left:** Deanna Davis concentrates on setting. **Bottom Right:** Angela Vanderwerf follows through on a spike.

Front Row: Leanne Diaz, Sheri Shipe, Dionne Calabray, Patty Orr. **Row 2:** Deanna Davis (Captain), Wendy Townsend, Mary Petersen, Angela Vanderwerf, Mary Lucitt.

J.V. VOLLEYBALL

Front Row: Sheri Oates, Karen Bartel, Teri Dobson, Patty Finnell (Team Captain), Marilyn Beck. **Row 2:** Shelley West, Marlise Calabray, Pat Biaggi, Brenda Fairleigh, Lorrene Davis, Carolyn Meister.

Top Left: Marlise Calabray bumps the ball. **Top Right:** The players prepare for the serve. **Middle Left:** Ms. Sasser, a first year coach, who saved the team from nonexistence, and Assistant Coach, Rosanne Galloway, a graduated ex-player. **Bottom Left:** Patty Finnell goes for it.

This year the JV team, led by senior Patty Finnell (most valuable player), had an excellent season, finishing third in the league with five wins and three losses. The team is a fairly young one, and only Patty, and Teri Dobson will be graduating this year. Thus, the group has great potential for next year.

Top row: Dave Jackson, Dan Freeman, Kent Stednitz, Pat Whitaker, Ray Alarcon, Bruce Clifton, Coach Frank Hendricks. **Bottom row:** Dave Gazay, Stuart Freeman, Glen Ciraulo, Kevin McLaughlin, Dale Harris, Matt Steinhauer, Manager Don Hadsell.

GIRLS SOCCER

Camden's Girls' first Soccer Team had an excellent season this year considering they were a new team composed of many players who had little or no experience playing soccer. They finished the season fifth in their league and have the potential for an even high placing next year, despite the fact that two of their best players, Patty Finnell and Lori Rizzi, will be graduating. But they are a young team and hope to have such outstanding returning players as Belinda LaJoie, Chris Berti, Jenny Twitchell, and Annette Snyder, just to name a few.

Team Picture. **Front Row** (L to R): Jackie Nakamura, Annette Snyder, Patty Finnell, Laura Pallan, Belinda LaJoie (Co-captain). Row 2: Kelly Todd, Becky Prough, Kelly Staedler, Janice Ciraulo, Monica Deisenroth, Chris Berti (Team Captain). Row 3: Jenny Twitchell, Lynne Healey, Lori Rizzi, Lorrene Davis, Pam Stewart, Debby Pallan, Coach Sue Hunt, Kelly Mankins (Team Manager).

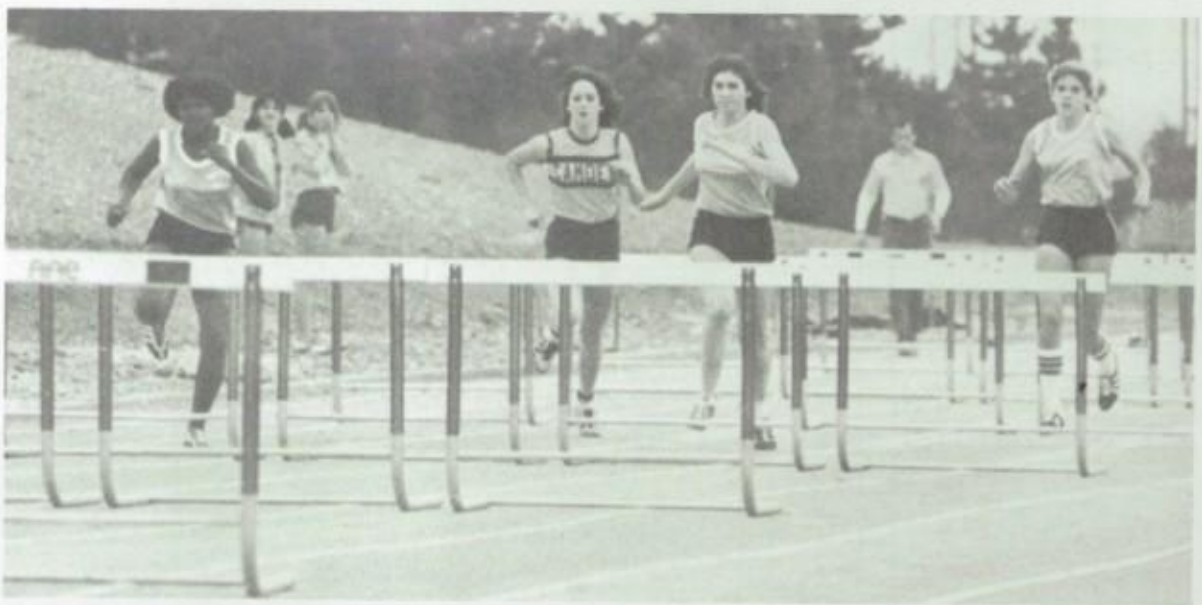
GIRLS' TRACK

Front Row: Annette "Nettie #1" Snyder, Elaine "Lainie #1.5" Abe, Dora "Doralee" Cox, Karen Bartel, Lola Pinkerton, Wendy Soulsby, Robin Kirchoff, Lynn Girard, Emily Kirchoff. **Row 2:** Norma Perez, Maria Richmond, Carrie Moga, Felicia Benton, Patty Lenglois, Sue "Sooie #1.6" Dash, Dawn Cooper, Jennifer Kirchoff, Ramona Pearce. **Not pictured:** Carla Begay, Heidi Karnofel, Ann Regan, Kelly Todd.

The 1979 Girls' Track team had some outstanding returning veterans. Despite small numbers, the team made a strong showing in WVAL dual meets. This closely knit group displayed pride, dedication, determination, and team spirit throughout the track season. Karen Bartel served as team manager, never failing to bring yummy goodies for her teammates. Camden track coaches Bob Woods, Gail "Buckwheat" Balsley, Tim Rostege, Jim Baughman, Wayne Burdick, and John Hernandez gave support and understanding to the team.



BADMINTON

Front Row: Cheryl Yuki, Karen Shipe, Belinda LaJoie, Stella Kim, Kellie Lampreda, Ardith Butler, Barbara Choi, Jeanne Perrin. **Row 2:** Sue Tramontana, Sheri Shipe, Jennifer Muhleman, Andrea Jensen, Diane Faraone, Lori Rizzi, Becky Prough, Mary Starr, Jill Schirle, Claudia Campi. **Row 3:** Tana Bujor, Diana Sutton, Karen Bryant, Sue Gabel, Lisa Ferdinandsen, Carolyn Meister, Donna Gabel, Kim Jones, Ellen Hichborn, Teresa Dodds. **Not pictured:** Sharon Lujan.

The Girls' 1979 Badminton team was very successful. They practiced with great dedication while having fun at the same time. Dropping racquets became a favorite pastime for collecting nickels. Seniors Ellen Hichborn and Jennifer Muhleman served as team managers.

GYMNASTICS

The varsity gymnastics team was small in size but mighty in strength and team spirit. "Coach Cooky" as the newcomer Sharon Kitchens was nicknamed by the team along with such top gymnasts as Barbie Butler and DeDe Jones helped contribute to the team's strength. The team really supported each other throughout the season and are looking forward to another fantastic year.

Team (l to r): Michelle Beaumont, Becky Hawkins, DeDe Jones, Barbie Butler, Sally Wilson, Karen Neil. **Not pictured:** Sara Lane, Terri Grenon.

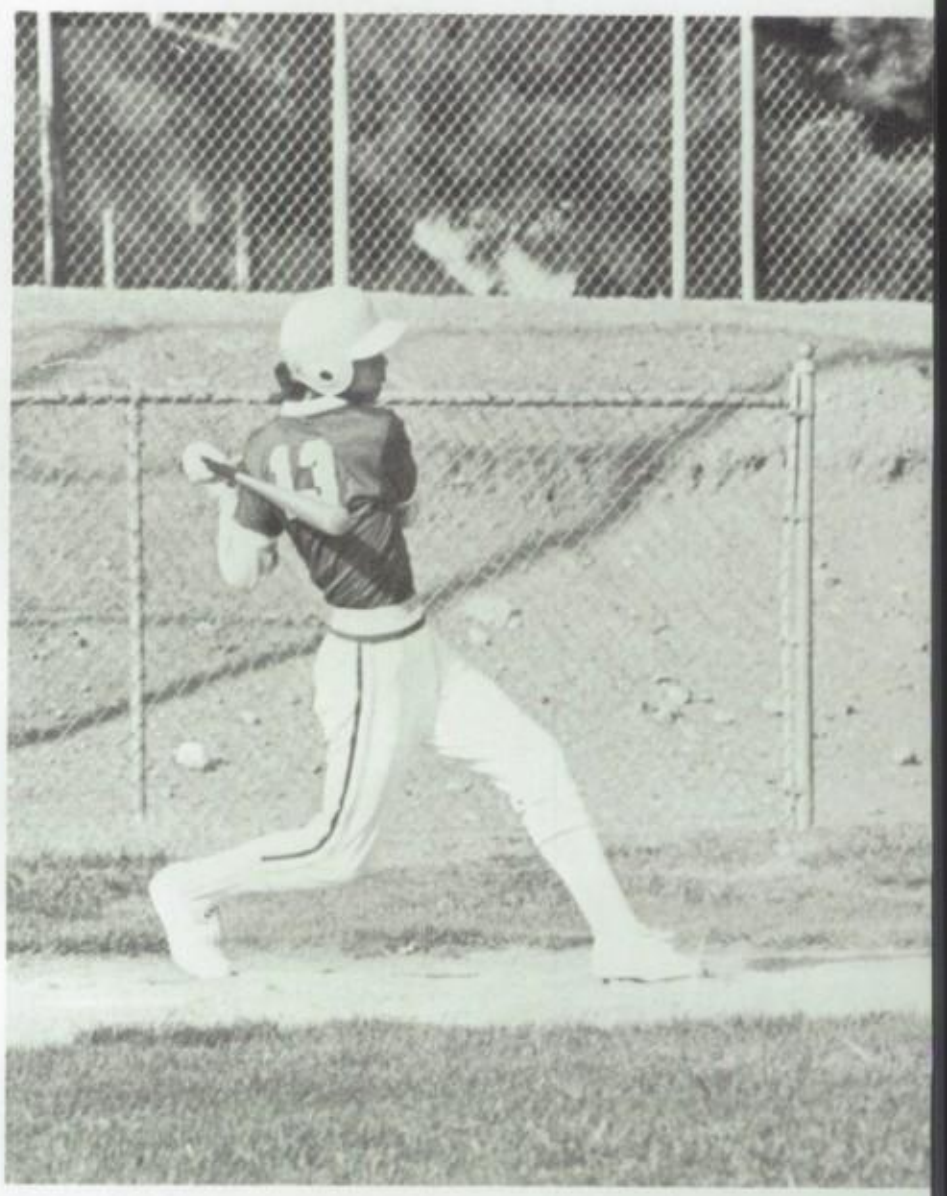
VARSITY

J.V.

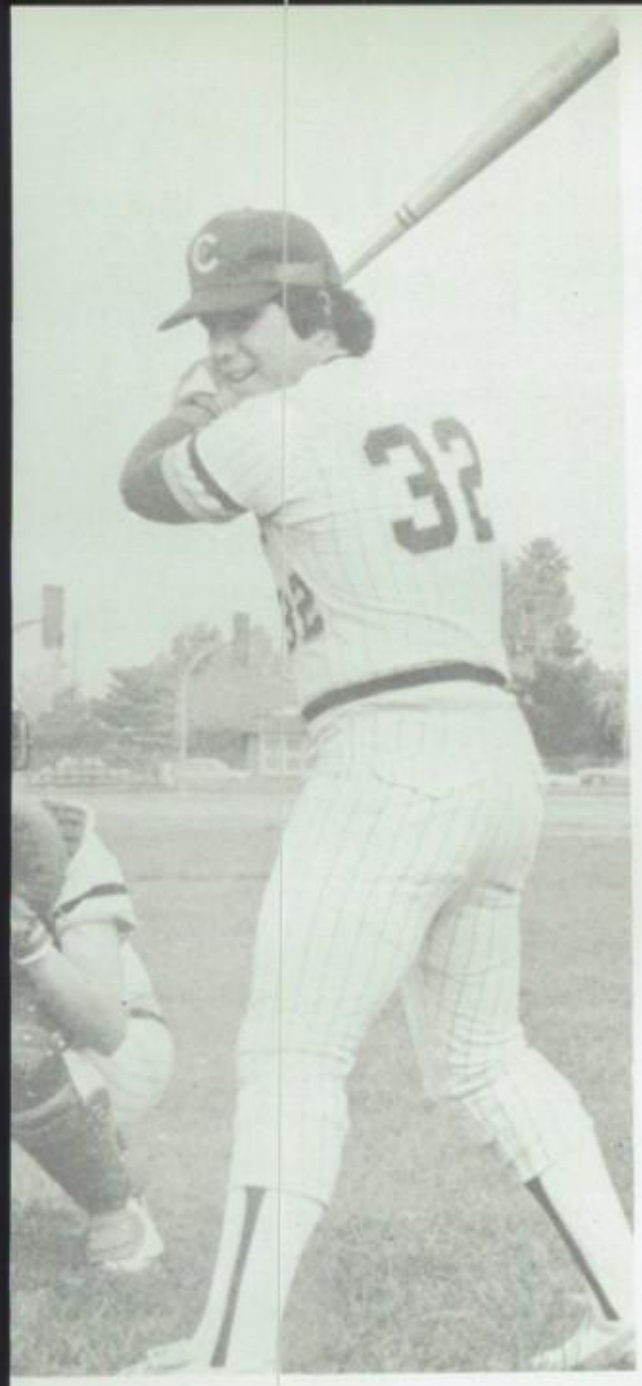
Hard work and self-discipline were what made up the JV gymnastic team this year. A few of the top gymnasts were Michelle and Danielle Cuneo, Pam Tico, Kelly Perry and Ann Poouahi. The team had a fun season as well as a memorable one and shows great promise for the future.

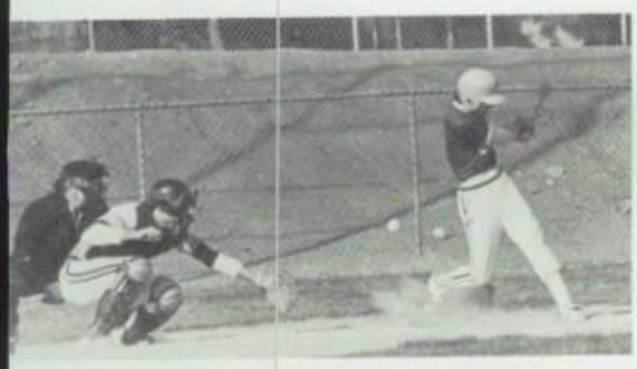
Team (l to r). **Front Row:** Ann Poouahi, Ceci Regan, Pam Tico, Michelle Cuneo, Kelly Perry, Danielle Cuneo. **Row 2:** Beth Fugua, Siri Benson, Amy Townsend, Kristy Best, Sybil Sadel, Genie Wadas, Debbie Lindo. **Above Left:** Coach Sharon Kitchens. **Left:** Assistant Coach Betsy Jones.

VARSITY BASEBALL



Row 1: Coach Kuhn, Steve Amaral, Doug Martin, Ted Escobar, Paul Hutton, Marty Picone, Jon Silva. **Row 2:** Chris Williams, Ron Azavedo, Bil Zlendick, Matt Steinhauer, Dave Burks, Rich Lightning, Coach Espinoza. **Row 3:** Marley Quinn, Jeff Walsh, Dan Freeman, Scott Steindorf, Ken Stednitz, Pat Whitaker.





F/S BASEBALL

SOFTBALL

Although the girls' softball team was reduced from two teams to only one this year, team spirit, strength, and success did not lessen. The new softball facilities greatly lifted spirits and with five seniors: Deanna Davis, Patty Finnell, Patty Orr, Debbie Richter, Wendy Townsend, and two returning all-league players Jacque Bowman and Leanne Diaz, both juniors, and the rest of the team, hopes of placing well in league standards are high.

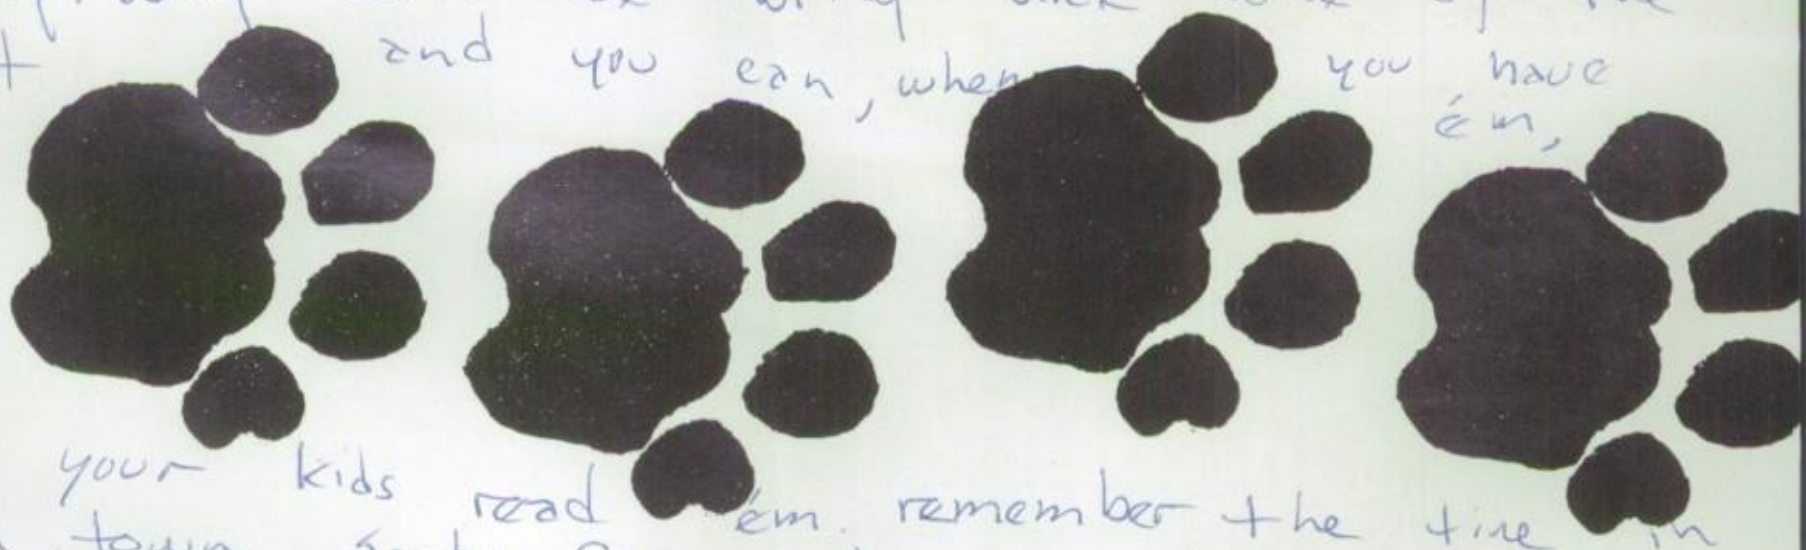
you forgot the dunky? NO IM Just kiddin'
Here it is at 10:23 at night and I'm
writting in this perverted yearbook. What
the Hell for? I don't deserve any such
treatment. When I first met ya Wow!
What a strange person you were. I heard from the
Grape-vine that you were . . . well ah! you know . . .
that old three's company bit. Anyway, The truth
was I thought you was one of them. ANYWAY
. . . . As I could describe you worse as revenge
I won't . . . I'll just let you look in the
mirror. HA! HA! ya know you're the strangest guy
in the whole school . . . just kiddin' you're the
strangest out of ½ HA!HA! funny . . funny. Seriously
. . . . . It was fun in ~~bed~~ I mean at
the dance that night. know just for the record ☺
2" ☺ or $20.00 ☺ I'd like to write the incident
. . . . but my hands won't do such a nauty
thing. Why don't we bring back some of the
past and you can, when you have
ém,



let your kids read 'em. remember the time in
down town Santa Cruz and we went to that
massage' parlor. Boy did that feel good. Really remember
the time we went and saw Phantasum and we

were laughing when everyone else was scored "Shitless" Wow! what fun that was. what about the time when we were at the beach and you threw the pick. . . . . at me. . . . . but missed HAA! that was the best part. I won't mention why you ~~threw~~ me the pick. I want your kids to think that you were really a rotten person. No really you're lucky I don't tell them about the Carl's Jr. incident. By the way, did you get a good feeling ooo? Joke Joke, But all the girl would get is something in that area. I mean what can you expect out of $20.00 HA! HA! Oh we can't forget the time when we want to Bonanza and watch José eat raw meat and you slurp your salad and poor Joe who doesn't have~~n't~~ any manners when he is out of the institute for the very very nervous. At least he isn't the cockers son in the north wing. I wonder if Mel Brooks enjoyed Author Brisbanes little fun and games. what would your reaction be. what other strange off the wall Now the time when I start Thanking you for all your advice and your friendship. why do you understand everything that I'm going through? Probably because you have gone throw them and I have yet to meet 'em. Maybe because you're a guy and I'm a girl. Or is it I'm a guy and you're a girl. Any way, we manage to get through just about all our problems and it's because when we advise each other some how it just turns out for the best. If I didn't know you I'd probably be going out with someone like

Mike -

Remember when I got a cat? remember hose fights remember grilled cheese sandwiches remember dead guppies on the floor, remember the Mojave desert - remember the Bean bag chair remember the marble table you broke - remember the nutcracker?! What ever happend, I remember all the good times (and even the bad times) so well! I remember when we said we were best friends! Anyway - were friends, now not as good, but still - I wish we could get together and talk just like we used to. Remember always Mike if you ever need someone to talk to or something. Im around I look forward to the coming year!

Miss Mar,

Thank you for your leadership and support. No matter what problems arose, you were always there to help. No one but you, could be as understanding of the unique problems and conflicts that occured during the creation of this yearbook. You're an inspiration to your staff and the entire student body. Without you, this yearbook would still be a dream instead of a reality.

Memini Staff of 79'

The Memini Staff of 1979 would like to say a warm thank-you to:

Mr. Chris Johnson, Sanford & Myers
Photographs & Senior Portraits

Miss Marilyn Sasser
Photo Commission Advisor

Camden's Own Photo Commission
Photographs

Mr. Warren Willard, Herff Jones
Class Rings

What is a yearbook? Is it something that ends up on a shelf when school is out, forgotten and useless? Sometimes this is the case. The Memini Staff of '79 decided that this year's book was going to be something that people would talk about for years to come as being the best.

To add a creative touch of originality we, the staff, thought that the picture of a cougar, in the flesh, would be something that no one else had ever done before. So, to accomplish this task Chris, from Sanford and Myers, Jackie Nakamura, and I ventured to Marine World to photograph the living symbol of our school spirit. The name of the little cougar depicted on the cover is Nina. She, along with her playmate, can be seen in action on the various division pages throughout the book. We felt this technique would give the yearbook a feeling of unity.

We have tried to add as many special touches as we could to give the book that special something. There are more color pages than ever before plus special photographic effects throughout each section.

We hope you have enjoyed this year's yearbook as much as we have enjoyed putting it together.

- TO MY BESTEST & MOST FAVORITEST BOY-FRIEND -

WELL I'VE HAD THE MOST FUN I'VE EVER HAD WITH ANY OTHER GUY (YOU'RE THE BEST!) I DO AGREE WE HAVE ALOT OF PROBLEMS, BUT I'VE GOT FAITH IN US THAT WE WILL BOTH WORK THEM OUT TOGETHER! UNLESS YOU KEEP HAVING ALL OF YOUR STUPID SO CALLED SOLUTIONS - SUCH AS, DRINKIN', SMASHIN' INOCENT LITTLE OBJECTS, OR EVEN TRIN' TO COMMIT SUICIDE (IF YOU EVER FEEL THAT WAY AGAIN PLEASE TALK TO ME BEFORE YOU DO ANYTHING OR TRY ANYTHING!) I ALSO WANT YOU TO KNOW SOMETHIN' ELSE & THAT IS, WELL, YOU KNOW I CAN TELL ALOT ABOUT YOU EVEN IF YOU DON'T [redacted] SAY ANYTHING TO ME (DON'T EVEN ASK ME ABOUT THIS, BECAUSE I THINK YOU'LL KNOW WHAT IM TALKIN' ABOUT) - ANYHOW - HERE GOES - I DON'T EVER WANT YOU TO LIE TO ME TO TRY & GET ME JEALOUS - BECAUSE IF YOU EVER FEEL LIKE YOUR LOOSIN' ME PLEASE! TELL ME, BECAUSE I'LL ASSURE YOU YOUR NOT - NOW HOPEFULLY YOU KNOW NOW THAT IM NOT HALF AS DUMB AS PEOPLE SAY [redacted] I AM - HA HA - (SOMETIMES I WONDER THOUGH) BUT ANYHOW WE MAY NOT LAST AS LONG AS WE ALWAYS DREAMED ABOUT BUT IF YOU DON'T TRUST ME THEN WE'RE GONNA HAVE EVEN A HARDER TIME - NOW I'M TALKIN' ABOUT OUR SEPERATION - ABOUT GOIN' OUT WITH OTHER PEOPLE - BUT PLEASE MIKE! I DIDN'T CARE ABOUT YOU SO MUCH, THEN I WOULD OF SPLIT ALONG TIME AGO - SO DON'T EVER HAVE ANY DOUBTS, OK? THERE ARE A FEW THINGS I REALLY DON'T LIKE ABOUT YOU BUT AS SOON AS I GET ON YOUR ASS ABOUT THEM, I'M SURE YOU'LL BE MORE THAN HAPPY TO QUIT OR CHANGE THEM BAD HABITS, CUZ YOU'LL BE SO SICK OF HEARIN' ME BITCH ALL THE TIME THAT YOU'LL GIVE IN VERY EASILY!

Mike,
Its really been great being your friend. You have a really great personality. Shame we live so far apart. Oh well the vacation because you really mean a lot to me. The last couple of months really haven't been much of you because we both have been really busy. If it seems like I have been busy. Anyway you about lately, it means I care. I am not stupid, I know its just the way I show my feelings to be. Please take care of yourself, and I will see you next year.
